

# Extended Abstract and Early bird registration for the 24th European Cosmic Ray Symposium, September 1-5, 2014, Kiel, Germany

## Second circular

The 24th European Cosmic Ray Symposium ECRS-2014 will be held in Kiel, Germany from September 1 through September 5, 2014. ECRS-2014 is the 24th in a series of European Cosmic Ray Symposia.

The official website of the Symposium is <http://www.ecrs2014.de>.

The conference venue is the physics department of the Christian-Albrechts-Universität zu Kiel. The city of Kiel is the capital of the northern German state of Schleswig-Holstein and has become one of the major maritime centers.

**The Symposium program** will consist of plenary (invited reviews) and parallel scientific sessions, including:

1. Solar and heliospheric cosmic rays (SH)
2. CRs at Earth and planets (GEO)
3. Dark matter (DM)
4. High-energy cosmic rays (HE-CR I)
5. (Ultra) High-energy cosmic rays (HE-CR II)
6. High-energy muons and neutrinos (MN)
7. High-energy gamma rays (GR)
8. Future Instrumentation in cosmic ray research (INS)

### **Key dates:**

<i>Abstract submission:</i>	<b>30 May 2014</b>
<i>Late poster abstract submission:</i>	01 Jul 2014
<i>Early bird registration:</i>	<b>30 May 2014</b>
<i>Students housing:</i>	16 May 2014
<i>Splinter session request:</i>	31 Jul 2014
<i>Registration (internet):</i>	22 Aug 2014
<i>On-site registration:</i>	01 - 05 Sep 2014
<i>Welcome reception:</i>	01 Sep 2014
<i>Conference Dinner:</i>	04 Sep 2014
<i>Conference:</i>	01 - 05 Sep 2014
<i>Proceeding submission:</i>	Early 2015

### **Registration:**

The full online registration is open at the ECRS-2014 web page at <http://www.ecrs2014.de/>. Registration fee (including the conference package, coffee-breaks, everyday lunch, conference dinner, Welcome reception, and publication of proceedings) is 300 Euro if paid by 30-May-2014, 400 Euro if paid by 22-Aug-2014 and 500 Euro if paid on site. Registration fee for accompanying persons is 80 Euro including welcome reception and conference dinner.
